

Board of Directors Biography

Dr. Zaheer Lakhani, Edmonton

Dr. Lakhani, CM, MB, FRPC is a graduate of the University of Leeds, England where he read Medicine before coming to the University of Alberta to train in Cardiology. While working as a consultant in his chosen specialty at the Royal Alexandra Hospital Edmonton since the early 1990's, he has also served as a community volunteer on many different boards including the Edmonton Community Foundation, the United Way, AMREF Canada and the Royal Alexandra Hospital Foundation in addition to Chairing the Edmonton Police Commission and the Federal Cross Cultural Roundtable on Security. He is also the Founding President of the Canadian Association of Police Governance which is a national institution of civilian oversight of Policing organizations in this country. His interest in Parkinson's stems from the significant challenges he sees confronting his cardiac patients and their families in situations where they may be diagnosed with this chronic and progressive condition.
