

Ken Gordon, Calgary

Ken Gordon was born and raised in Calgary, and has held various positions in the energy industry, including leadership roles in engineering, corporate planning, and construction management at Imperial Oil. He is currently Manager, Pipeline and Integrity Services with Strike Group LP. He holds degrees in engineering, economics, and business from Western University and University of Calgary.

Ken has had Board experience in the non-profit sector, serving as a Director for Alberta One Call, supporting its growth and evolution as a key advocate for pipeline and utility safety in Western Canada. Additionally, he has had experience supporting governance improvement initiatives with senior executives in the energy industry, as well as organizational and corporate development projects throughout his career.

He is excited to be part of advancing the mandate of the Parkinson Association of Alberta, and in helping Albertans living with Parkinson's, and their families.

Ken enjoys spending as much time as he can outdoors, cycling, skiing, and hiking with his wife and young kids.
