

**What would you do if someone was stealing valuable items from your loved one, little by little, piece by piece, over the years?**

**Would you sit back and do nothing? OR would you step up and do something about it?**

Parkinson disease is a cunning thief, slowly stealing a person's ability to walk, talk, swallow and even smile – little by little, piece after piece.

## **APRIL IS PARKINSON'S AWARENESS MONTH!**

**Help us stop a thief and make a difference in the fight against Parkinson disease.**
