You will learn ways to practice focusing on your own health and self-care, connect and learn from others in the group who are on their own path with Parkinson disease.

SUPPORT GROUPS

Support Groups are a great way to learn and get connected to the Parkinson's community. Our Support Groups are led by trained facilitators and include updates, a 30-45 minute topical education/discussion session, a short break, and wrap up with a roundtable check-in where attendees have an opportunity to share experiences and ask questions.

Registration is required each month for every Support Group. If we do not have enough registrants by 9:00AM two business days prior to the Support Group date it will unfortunately be cancelled. For those signed up to receive PAA emails, you can register directly via the links included in our emails. You can also register by calling us toll-free **1-800-561-1911** or by reaching out via email at clientservices@parkinsonassociation.ca.

PARKINSON'S WELLNESS RETREAT

We are excited to share that plans are underway for our 2nd annual Parkinson's Wellness Retreat. We'll share details as soon as they are available.

Join members of the medical community and PAA Staff for a unique getaway for people with Parkinson's and their Care Partners. Individuals and couple's welcome! This multiple day retreat will include hiking and other physical activities, education in the form of fireside chat style conversations with medical professionals, creative endeavors, mindfulness work, and social time.

In 2023, twenty-six people joined Drs Davide Martino and Veronica Bruno and PAA staff for three days in the beautiful Rocky Mountains in Canmore. We had great conversations, went on a few hikes, practiced stretches, yoga, and mindfulness techniques, drummed, painted, and ate great food. We also laughed...a lot! Whether it was during the day, over drinks at a local pub or while making s'mores over a bonfire. We made great connections, and you will too at the 2024 Parkinson's Wellness Retreat. We hope to see you there!
