

CARDIOLOGIST

DR. SATISH RAJ

Satish R Raj MD MSCI is a heart rhythm cardiologist. After moving back to Calgary in 2014, he founded the Calgary Autonomic Investigation & Management Clinic. He is currently the Director of Education at the Libin Cardiovascular Institute and Professor of Cardiac Sciences at the University of Calgary's Cumming School of Medicine.

He runs an active Human Autonomic Physiology research program. His primary research interests relate to understanding and better treating postural orthostatic tachycardia syndrome (POTS), vasovagal syncope, orthostatic hypotension (including patients with Parkinson Disease), and Initial Orthostatic Hypotension.
